

# AwnTex® FR

## Open Weave Awning Fabric

EF5 Winter Wheat  
#863400

### AwnTex® - 160

- 60 inches wide, 14.3 oz. per sq. yd.
- 36 x 16 count vinyl encapsulated polyester mesh.
- Shade Factor: 88-90%
- Approximately 13.9% openness factor.
- Made from polyester yarns that are individually coated with PVC, woven and heat set.
- Unmatched for its combination of strength and beauty.

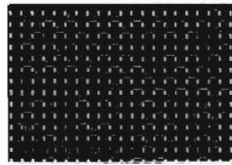

- Highly resistant to rot and mildew, colorfast, easy to clean and quick drying.
- Durable and long-lasting, it is ideal for application that requires high tensile strength along with breathability.
- Flame retardant: CSFM, Title 19
- Applications: Umbrellas, chairs, cushions, sunscreening, fencing, windshield covers and cushion underliners.
- 5-Year manufacturer's limited warranty.
